In re:

CASE NO. **BK-N 09-53918-GWZ**

JEFFREY J. PETERSON
JENNIFER K. PETERSON,

CHAPTER 13

Debtors.

ORDER CONFIRMING CHAPTER 13 PLAN

Hearing Date: January 8, 2010
/ Time: 2:00 p.m.

The Debtors' Chapter 13 Plan and Motion to Value Collateral having been served on all parties in interest and the Court finding, after proper notice and an opportunity for hearing, that the Debtors' plan satisfies all of the requirements of 11 U.S.C. § 1325, all pending objections having been resolved, and for other good cause appearing;

IT IS ORDERED that the Debtors' Chapter 13 Plan is confirmed.

IT IS ORDERED that there being no objection to the Debtor's compliance with 11 U.S.C. § 521(a)(1) the Court finds that the Debtor has filed all information necessary to proceed with the administration of this Chapter 13 case.

IT IS FURTHER ORDERED that except as otherwise provided for in this order or any other applicable order the Court values any collateral described in the Debtors' Chapter 13 Plan as estimated by the Debtors in the Plan and

that the interest rate proposed to provide the secured creditor with the present value of its claim satisfies 11 U.S.C. § 1325(a)(5)(B)(ii).

IT IS FURTHER ORDERED that the Debtors' proposed assumption of executory contracts and unexpired leases as set forth in the Debtors' Chapter 13 Plan are approved. All executory contracts and unexpired leases not provided for in the Debtors' Chapter 13 Plan are rejected.

IT IS FURTHER ORDERED that the Standing Chapter 13 Trustee shall file and serve a Notice of Intent to Pay Claims on all parties in interest after the expiration of the time allowed to file proofs of claim. Objections to the Trustee's Notice of Intent to Pay Claims shall be filed, served, and set for hearing by the objecting party within thirty (30) days following service of the Trustee's Notice. In the absence of an objection to the Trustee's Notice of Intent to Pay Claims, the proposed distributions set forth in this document shall be final. Unless the Court orders otherwise after notice and hearing, the Trustee shall make no distributions to any claim filed after the time allowed for filing such claims as set forth in Fed. R. Bankr. P. 3002 and 3004 and the Debtors' Plan. The time period for the Debtors to file a proof of claim set forth in Fed. R. Bankr. P. 3004 is extended until (30) days following service of the Trustee's Notice of Intent to Pay Claims.

IT IS FURTHER ORDERED that to the extent distributions have not been made to the holder of an allowed claim, objections to the allowance and payment of any claim may be filed at any time before the Debtor is discharged.

IT IS FURTHER ORDERED that the Debtors shall provide immediate written notice to the Clerk of the United States Bankruptcy Court and the Chapter 13 Trustee of any change of address.

IT IS FURTHER ORDERED that the debtor shall provide immediate written notice to the Trustee of any termination, reduction of, or other material change in the Debtors' assets, income and/or employment.

IT IS FURTHER ORDERED that in the event the Plan does not continue to satisfy all confirmation requirements when the allowed amount of all claims becomes known, the Debtors shall modify the confirmed plan to satisfy all confirmation requirements. Failure to modify the plan under these circumstances shall constitute cause for dismissal under 11 U.S.C. § 1307(c).

IT IS FURTHER ORDERED that to the extent the plan does not provide for arrears on a secured claim and a proof of claim or amended proof of claim is filed indicating that arrears on the claim exist, the Trustee shall make no distributions on the claimed arrears. The Debtors will pay the arrears claim directly, amend the plan to provide for the unanticipated arrears, or object to the claim.

IT IS FURTHER ORDERED that in the event the Debtor fails to make any proposed direct payment, any proposed cure of the default shall be addressed in a plan modification and the postpetition default shall be cured by the Trustee from modified plan payments. Provided that the modification does not alter the proposed distribution to holders of other claims, the proposed modification may be submitted by stipulation approved by the Debtor, the affected secured creditor and Chapter 13 Trustee.

IT IS FURTHER ORDERED the Plan provides for total attorneys fees of **\$4,000.00**. Of this amount a total of **\$4,000.00** is allowed, and **\$1,226.00** has been paid prepetition. The balance of **\$2,774.00**, shall be paid by the Standing Chapter 13 Trustee from plan payments. Additional fees and costs, if any, may be approved after notice and hearing in accordance with 11 U.S.C. §§ 329, 330, Fed. R. Bankr. P. 2002, 2016, 2017, and the Court's general Guidelines for Compensation and Expense Reimbursement of Professionals.

IT IS FURTHER ORDERED that, pursuant to 11 U.S.C. § 102(1) and based on facts and circumstances of this case further notice and hearing is unnecessary and pursuant to 11 U.S.C. § 1323 the plan is amended as follows:

1. The Debtor's schedules and plan indicated that secured creditor HSBC Bank USA held a claim for arrears on the first deed of trust in the amount of \$5,680.57. The creditor filed a secured proof of claim for the arrears in the amount of \$8,499.65. The Trustee shall pay HSBC Bank USA pursuant to its filed proof of claim the amount of \$8,499.65 with 0% interest.

2. The Debtor's schedules and plan provided for secured creditor WestStar Credit Union regarding a 2005 Ford Freestyle VIN# 1FMZK06185GA78764. The Creditor has filed an objection to confirmation stating that the plan was attempting to cram down the debt on an over secured vehicle. The Debtor and Creditor have reached an agreement and the secured Creditor WestStar Credit Union shall be paid directly by the Debtor. The Trustee shall make no distributions to WestStar Credit Union regarding this claim.

3. The Debtor's plan provides for the Motion to Avoid Lien to "Strip off" the second deed of trust regarding secured creditor Wells Fargo Bank. At the time of confirmation the motion had been filed and noticed but has not been heard. For distribution purposes the claim will be administered as a general unsecured claim.
